

310-D1 - DENTAL SERVICES FOR MEMBERS 21 YEARS OF AGE AND OLDER

EFFECTIVE DATES: 10/01/94, 10/01/16, 04/01/17, 10/01/17, 10/01/18

REVISION DATES: 03/01/95, 06/01/98, 06/01/01, 10/01/01, 0/01/06, 10/01/09, 10/01/10,
07/01/16, 10/06/16, 02/02/17, 09/07/17, 05/30/18

I. PURPOSE

This Policy applies to AHCCCS Complete Care (ACC), ALTCS/EPD, DES/DDD, and RBHA Contractors; Fee-For-Services (FFS) Providers and Programs as delineated within this policy including: Tribal ALTCS, the American Indian Health Program (AIHP); excluding Federal Emergency Services (FES). (For FES, see AMPM Chapter 1100). This Policy establishes requirements regarding the provision of medically necessary dental services for members age 21 and older. (Dental services for members under 21 years of age are covered as specified in AMPM Policy 431 and additional medically necessary non-emergency dental services for ALTCS members age 21 years and older are specified in AMPM Policy 310-D2.)

II. DEFINITIONS

None

III. POLICY

AHCCCS covers the following dental services provided by a licensed dentist for members who are 21 years of age or older:

1. Emergency dental services up to \$1000 per member per contract year (October 1st to September 30th) as a result of A.R.S. §36-2907. The emergency dental services are described in subsection A.
2. Medical and surgical services furnished by a dentist only to the extent such services may be performed under state law either by a physician or by a dentist and such services would be considered a physician service if furnished by a physician (A.A.C. R9-22-207).
3. These services shall be related to the treatment of a medical condition such as acute pain (excluding Temporomandibular Joint Dysfunction [TMJ] pain), infection, or fracture of the jaw. Covered services include a limited problem focused examination of the oral cavity, required radiographs, complex oral surgical procedures such as treatment of maxillofacial fractures, administration of an appropriate anesthesia and the prescription of pain medication and antibiotics. Diagnosis and treatment of TMJ is not covered except for reduction of trauma. Services described in this paragraph are not subject to the \$1000 adult emergency dental limit.

4. Exception for Transplant Cases

- a. For members who require medically necessary dental services as a pre-requisite to AHCCCS covered organ or tissue transplantation, covered dental services are limited to the elimination of oral infections and the treatment of oral disease, which include dental cleanings, treatment of periodontal disease, medically necessary extractions and the provision of simple restorations. For purposes of this Policy, a simple restoration means silver amalgam and/or composite resin fillings, stainless steel crowns or preformed crowns. AHCCCS covers these services only after a transplant evaluation determines that the member is an appropriate candidate for organ or tissue transplantation. These services are not subject to the \$1000 adult emergency dental limit.

5. Exception for Cancer Cases

- a. Prophylactic extraction of teeth in preparation for radiation treatment of cancer of the jaw, neck or head is covered. These services are not subject to the \$1000 adult emergency dental limit.

A. EMERGENCY DENTAL SERVICES COVERAGE FOR PERSONS AGE 21 YEARS AND OLDER

Medically necessary emergency dental care and extractions are covered for persons age 21 years and older who meet the criteria for a dental emergency. A dental emergency is an acute disorder of oral health resulting in severe pain and/or infection as a result of pathology or trauma.

1. The following services and procedures are covered as emergency dental services:

- a. Emergency oral diagnostic examination (limited oral examination – problem focused),
- b. Radiographs and laboratory services, limited to the symptomatic teeth,
- c. Composite resin due to recent tooth fracture for anterior teeth,
- d. Prefabricated crowns, to eliminate pain due to recent tooth fracture only,
- e. Recementation of clinically sound inlays, onlays, crowns, and fixed bridges,
- f. Pulp cap, direct or indirect plus filling,
- g. Root canals and vital pulpotomies when indicated for the treatment of acute infection or to eliminate pain,
- h. Apicoectomy performed as a separate procedure, for treatment of acute infection or to eliminate pain, with favorable prognosis,
- i. Immediate and palliative procedures, including extractions if medically necessary, for relief of pain associated with an oral or maxillofacial condition,
- j. Tooth reimplantation of accidentally avulsed or displaced anterior tooth, with favorable prognosis,
- k. Temporary restoration which provides palliative/sedative care (limited to the tooth receiving emergency treatment),
- l. Initial treatment for acute infection, including, but not limited to, periapical and periodontal infections and abscesses by appropriate methods,
- m. Preoperative procedures and anesthesia appropriate for optimal patient

management, and

n. Cast crowns limited to the restoration of root canal treated teeth only.

Follow up procedures necessary to stabilize teeth as a result of the emergency service are covered and subject to the \$1000 limit.

B. LIMITATIONS

Adult Emergency Dental Services Limitations for Persons age 21 Years and Older

1. Maxillofacial dental services provided by a dentist are not covered except to the extent prescribed for the reduction of trauma, including reconstruction of regions of the maxilla and mandible.
2. Diagnosis and treatment of temporomandibular joint dysfunction are not covered except for the reduction of trauma.
3. Routine restorative procedures and routine root canal therapy are not emergency dental services.
4. Treatment for the prevention of pulpal death and imminent tooth loss is limited to non-cast fillings, crowns constructed from pre-formed stainless steel, pulp caps, and pulpotomies only for the tooth causing pain or in the presence of active infection.
5. Fixed bridgework to replace missing teeth is not covered.
6. Dentures are not covered.

C. CONTRACTOR AND FFS PROGRAM RESPONSIBILITIES

1. AHCCCS requires Contractors to provide at least the following:
 - a. Coordination of covered dental services for enrolled AHCCCS members,
 - b. Documentation of current valid contracts with dentists who practice within the Contractor service area(s),
 - c. Primary care provider to initiate member referrals to dentist(s) when the member is determined to be in need of emergency dental services, or members may self-refer to a dentist when in need of emergency dental services,
 - d. Monitoring of the provision of dental services and reporting of encounter data to AHCCCS, and
 - e. Assurance that copies of adult emergency dental policies and procedures have been provided to contracted dentist(s).
2. The annual \$1000 adult emergency dental limit is member specific and remains with the member if the member transfers between Managed Care Organizations or between Fee-For-Service and Managed Care. Dental services provided within an IHS/638 facility are also subject to the \$1,000 adult emergency dental limit. It is the responsibility of the Contractor or Tribal Case Manager transferring the member to

- notify the accepting entity regarding the current balance of the dental benefit. The AHCCCS Enrollment Transition Information (ETI) form, AMPM Policy 520, Attachment A, and AMPM Policy 1620, Exhibit 1620-9 shall be utilized for reporting dental benefit balance.
- a. All services are subject to retrospective review to determine whether they satisfy the criteria for a dental emergency. Services determined to not meet the criteria for a dental emergency are subject to recoupment.
 - b. The member is NOT permitted to “carry-over” unused benefit from one year to the next.
 - c. A year begins on October 1st and ends September 30th.
3. Prior authorization for emergency dental services is not required for members enrolled with either FFS or Managed Care.

E. NOTIFICATION REQUIREMENTS FOR CHARGES TO MEMBERS

Emergency dental services of \$1000 per contract year are covered for AHCCCS members age 21 years and older. Billing of AHCCCS members for emergency dental services in excess of the \$1000 annual limit is permitted only when the provider meets the requirements of A.A.C R9-22-702 and/or A.A.C. R9-28-701.10.

In order to bill the member for emergency dental services exceeding the \$1000 limit, the provider shall first inform the member in a way s/he understands, that the requested dental service exceeds the \$1000 limit and is not covered by AHCCCS. Before providing the dental services that will be billed to the member, the provider shall furnish the member with a document to be signed in advance of the service, stating that the member understands that the dental service will not be fully paid by AHCCCS and that the member agrees to pay for the amount exceeding the \$1000 emergency dental services limit, as well as services not covered by AHCCCS.

The member shall sign the document before receiving the service in order for the provider to bill the member. It is expected that the document contain information describing the type of service to be provided and the charge for the service.

F. FACILITY AND ANESTHESIA CHARGES

AHCCCS expects that in rare instances a member may have an underlying medical condition which necessitates that services provided under the emergency dental benefit be provided in an Ambulatory Service Center or an Outpatient Hospital and may require anesthesia as part of the emergency service. In those instances, the facility and anesthesia charges are subject to the \$1,000 emergency dental limit.

Dentists performing General Anesthesia (GA) on members will bill using dental codes and the cost will count towards the \$1,000 emergency dental limit.

Physicians performing GA on members for a dental procedure will bill medical codes

and the cost will count towards the \$1,000 emergency dental limit.

G. INFORMED CONSENT

Informed consent is a process by which the provider advises the member/guardian/designated representative of the diagnosis, proposed treatment and alternate treatment methods with associated risks and benefits of each, as well as the associated risks and benefits of not receiving treatment.

1. Informed consents for oral health treatment include:
 - a. A written consent for examination and/or any treatment measure, which does not include an irreversible procedure, as mentioned below. This consent is completed at the time of initial examination and is updated at each subsequent six month follow-up appointment.
 - b. A separate written consent for any irreversible, invasive procedure, including but not limited to dental fillings, pulpotomies, etc. In addition, a written treatment plan shall be reviewed and signed by both parties, as described below, with the member/guardian/designated representative receiving a copy of the complete treatment plan.
2. All providers shall complete the appropriate informed consents and treatment plans for AHCCCS members as listed above, in order to provide quality and consistent care, in a manner that protects and is easily understood by the member/guardian/designated representative. This requirement extends to all Contractor mobile unit providers. Consents and treatment plans shall be in writing and signed/dated by both the provider and the patient, or patient's representative, if under 18 years of age or is 18 years of age or older and considered an incapacitated adult (as specified in A.R.S. §14-5101). Completed consents and treatment plans shall be maintained in the members' chart and are subject to audit.
